SEJARAH SEBERANG PERAI (UTARA)

Seberang Perai, dahulu dikenali sebagai Province Wellesley, menjadi tanah jajahan British pada tahun 1800 dengan keluasan sekitar 489.3 km², dipenuhi dengan belukar dan hutan sebelum diteroka untuk pertanian pada tahun 1850. Selepas Perjanjian Pangkor 1874 dan seterusnya, keluasan terkini Seberang Perai adalah 753.6 km².

Seberang Perai Utara merupakan daerah terbesar di Pulau Pinang dengan keluasan 272.16 km², berpusat di Kepala Batas, manakala bandar utamanya ialah Butterworth. Daerah ini menawarkan panorama kampung tradisional, warisan budaya, serta pemandangan alam yang menarik bagi pelancong tempatan dan antarabangsa.

HISTORY OF SEBERANG PERAI (NORTH)

Seberang Perai, formerly known as Province Wellesley, became a British colony in 1800, covering an area of approximately 489.3 km², filled with scrub and forest before being explored for agriculture in 1850. Following the Pangkor Treaty of 1874 and onwards, Seberang Perai's total area increased to 753.6 km².

North Seberang Perai is the largest district in Penang with an area of 272.16 km², centered in Kepala Batas, while its main town is Butterworth. This district offers a panorama of traditional villages, cultural heritage and beautiful natural scenery for both local and international tourists.
